

Travel to Pluto on the Planet Pete Space Shuttle Cab Company.

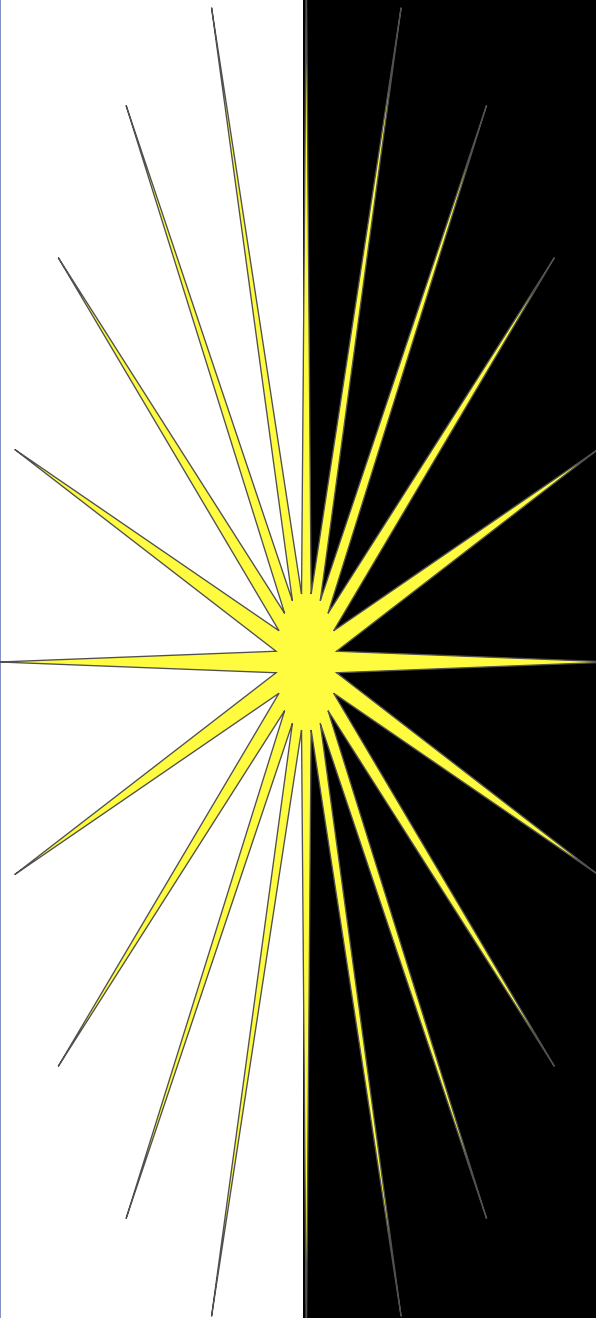

You can stay at the Frozen Hotel, but don't believe the name. It is actually pretty hot in there.

You need to bring very warm clothing. Lots of water. Other drinks will be served. Bring a jet pack space suit. Air is provided but bring your own tank. Heat and fuel are also provided but you may want to bring extra socks.

You can have fun rock climbing, parachuting off cliffs, rock collecting, and ice skating .

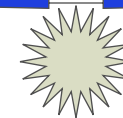

Check out the special at the Frozen Hotel. One free night per week.
